ACT Intellectual Property Rights and Confidentiality

All PreACT tests and test-related documents and materials are copyrighted works owned by ACT and protected by the laws of the United States and other countries. Secure (*i.e.*, not made available by ACT to the general public) tests and test questions including, but not limited to, the contents of the test booklet returned to you with your score report, may not be copied, photographed, duplicated, modified, enhanced, reverse engineered, sold, transferred, distributed, or otherwise disclosed at any time. **ACT may pursue all available civil and criminal remedies if its intellectual property rights are violated, including seeking damages and injunctive relief in a court of law and referring such violations to law enforcement authorities for criminal prosecution.**

By taking the PreACT and receiving the test booklet, you do not and will not acquire any right, title, or interest in the PreACT or its contents. ACT owns all answers and answer folders you submit as well as all score-related data maintained by ACT. The score reports from ACT are your property. However, score reports may not be altered by you or others so as to convey inaccurate or misleading information.

ACT Privacy Policy

You agree to the ACT Privacy Policy, including consenting to the collection of personally identifying information and its use and disclosure as provided in the ACT Privacy Policy. Within the PreACT instruction booklet is an abbreviated version of the ACT Privacy Policy, which is incorporated into these Terms and Conditions by reference. For the full version which provides greater detail on your interactions when you visit ACT websites, visit <http://www.act.org/privacy.html>.

Capturing Images or Voice Recordings at Test Centers

ACT may capture images and voice recordings of you at test centers. ACT may retain and analyze all such images and voice recordings for the purpose of protecting the integrity and security of the testing process.

Test Security

In addition to any other remedies provided below or otherwise available to ACT, ACT may prohibit you from taking the PreACT test if ACT believes: (1) you may have engaged in prohibited behavior in connection with a prior administration of the PreACT test, (2) you may intend to engage in prohibited behaviors in the future, (3) you may have provided false or misleading information to ACT, or (4) you may be working for test preparation providers or a competitor of ACT. You agree to cooperate with any test security investigation.

A. Prohibited Behavior at the Test Center

The following behaviors are prohibited. **You may be dismissed and/or your answer folder may not be scored, at your testing administrator's sole discretion, if you are found:**

- Filling in or altering responses on your answer folder after time has been called on that test section. This means that you cannot make any changes to a test section outside of the designated time for that section, even to fix a stray mark.
- Looking back at a test section on which time has already been called.
- Looking ahead in the test booklet.
- Looking at another person's test booklet or answer folder.
- Giving or receiving assistance by any means.
- Discussing or sharing test content, test form identification numbers, or answers during test administration, during breaks, or after the test.
- Using a **prohibited calculator**
- Using a calculator on any test section other than Mathematics.
- Sharing a calculator with another person.
- Using a watch with recording, internet, or communication capabilities.
- Using any electronic device at any time during testing or during break other than an approved calculator or watch. **All** other electronic devices, including cell phones and wearable devices, must be turned off and placed out of reach from the time you enter the test center until you are dismissed after testing concludes.
- Attempting to photograph, copy, or memorize test-related information or remove test materials, including questions or answers, from the test room in any way.
- Using highlight pens, colored pens or pencils, notes, dictionaries, or other aids.
- Using scratch paper
- Not following instructions or abiding by the rules of the test center.
- Exhibiting confrontational, threatening, or unruly behavior; or violating any laws.
- Allowing an alarm to sound in the test room or creating any other disturbance.

All items brought into the test center, such as hats, purses, backpacks, cell phones, calculators, and other electronic devices may be searched at the discretion of your testing administrator. Your testing administrator may confiscate and retain for a reasonable period of time any item suspected of having been used, or capable of being used, in violation of these prohibited behaviors. ACT shall not be responsible for lost, stolen, or damaged items that you bring to a test center.

Consequences for Prohibited Behavior: Your testing administrator shall have sole authority for determining whether to take action regarding prohibited behavior observed or suspected on test day, and its decisions are final.

B. Compromises/Disruptions in the Testing Process– Limitation of Remedies

ACT takes steps that are intended to ensure that PreACT tests are properly administered, tests and answer documents are properly handled and scored, and scores are properly reported. In the unlikely event there is an error or other occurrence that compromises or disrupts the testing process, ACT will examine the situation and determine whether it needs to take action. Compromises or disruptions that could cause ACT to take action under this paragraph include, but are not limited to, errors in preparing, handling, shipping, processing, or scoring answer documents; errors in reporting scores; deviations from standard testing procedures such as events that cause testing at a test center to be cancelled or interrupted, or a mistiming on any part of the test; events or information that raise concerns about possible prohibited behavior, advance access to test content by anyone taking the test, or possible invalid scores; unusual data from a test center such as unusual similarities in the answers of people at the same test center; or any events that otherwise disrupt or compromise the testing process. If ACT determines that it needs to take action in response to any such error or disruption in the testing process, ACT may in its sole discretion (1) correct the error (if an error occurred and ACT believes correction is feasible); (2) offer your state, district, or school the option to retest; or (3) may cancel the test event without offering your state, district, or school an option to retest. To take such action, ACT shall not be required to demonstrate that a compromise or disruption impacted your specific score. Decisions made by ACT regarding such compromises or disruptions in the testing process are final.

It is important that ACT ensure that reported scores are not affected by an irregularity, and that ACT inform anyone who has received a score report that the score may not accurately reflect a person's academic achievement and skills. You therefore agree that ACT may notify score recipients if there is an investigation into the validity of your reported test score. You also agree that ACT may disclose details about a test security investigation to score recipients and to anyone who may be able to assist with an investigation conducted by ACT, such as law enforcement, state departments of education, and local school officials. You agree that ACT will have no liability for exercising any of these rights.

The remedies listed above are the exclusive remedies available to you if you experience an irregularity in the testing process.

Arbitration of Disputes with ACT

All disputes -- other than disputes involving infringement of ACT's intellectual property rights -- that relate in any way to taking the PreACT test, requesting or receiving accommodations on the PreACT test, the reporting of PreACT test scores or the use or disclosure of personal information by ACT, shall be resolved by a single arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Consumer Rules ("AAA Rules") in effect at the time a request for arbitration is filed with the AAA. Copies of the AAA Rules can be located at www.adr.org. No arbitration may be maintained as a class action, and the arbitrator shall not have the authority to combine or aggregate the disputes of more than one individual, conduct any class proceeding, make any class award, or make an award to any person or entity not a party to the arbitration. By agreeing to arbitration in accordance with these Terms and Conditions, you are waiving your right to have your dispute heard by a judge or jury.

Each party will be responsible for its own fees and expenses incurred in connection with the arbitration, regardless of the outcome of the arbitration, except as otherwise expressly provided in these Terms and Conditions.

Limitation of Liability

IN NO EVENT SHALL ACT BE LIABLE TO YOU FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES.

Warranty and Limitations

THE PREACT IS PROVIDED "AS IS" AND ACT EXPRESSLY DISCLAIMS ANY AND ALL REPRESENTATIONS, WARRANTIES, AND CONDITIONS OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OR REPRESENTATION RELATING TO UNIQUENESS, MERCHANTABILITY, OR FITNESS FOR PURPOSE, AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM A COURSE OF DEALING OR USE OF TRADE.
