

Spok Mobile for Apple

Navigating the Application

Sending Messages

1. In the **Messages** screen, click the **Compose** button.
2. Add in the desired message receivers by searching for the message receiver's name or by choosing from your recent contacts.
3. Attach pictures and/or videos by clicking the **Attach** button and choosing the desired media.
4. In the **Compose Message** field, add any desired message text.
5. After all the desired information is entered, click the **Send** button. The message is sent.

Responding to Messages

1. An incoming Spok Mobile message displays.
2. Respond to the message in one of the following ways:
 - **Accept:** Choosing the **Accept** option indicates that you received the message and you accept the message's content.
 - **Decline:** Choosing the **Decline** option indicates that you received the message, but you do not accept the message's content.
 - **Reply:** Choosing the **Compose Message** / **Send** option indicates that you received the message and allows you to respond or reply to the message's content.
 - **Call Back:** When a phone number is included in the text of an incoming message, you can click the **Call** button to initiate a phone call using your device's phone feature or using a VoIP connection.
