

To change your Zoom Profile Picture

In Zoom, click the Gear icon (1). Then General (2). Scroll down to View Advanced Features (3).

This will launch your web browser.

Then click PROFILE (4) and then CHANGE (5) to upload a new picture.

Click UPLOAD (6) to find and upload your picture.

You can crop the size of the image by using the dashed lines and boxes (7).

When finished, click Save (8)
