

# Policy Management Compliance Using PolicyHub

## A PolicyHub Demonstration

# TODAY'S PRESENTER

---

## Mark Rida

**GRC Solution Consultant focused on helping organizations execute best practices in governance, risk, and compliance process automation in order to help organizations bridge silos and demonstrate defensibility.**

# KEY PROCESS ELEMENTS

**Best** practice policy lifecycle

**Ensures** defensibility of process

**Mitigates** exposure of organization

“ Important knowledge about staff awareness and agreement was lacking, unchecked this could have posed a real threat to our compliance status.

# THANK YOU

**PLEASE TAKE 5 MINUTES TO COMPLETE THE  
SESSION FEEDBACK FORM VIA THE MOBILE APP!**
