Purpose of Overlap Analysis

Collection Development

• Determine value of potential new e-resource collections (packages)
• Determine loss of titles (or coverage) if cancelling a current subscription
Use Cases

1. Considering subscribing to a new package

2. Considering canceling a subscription to a package

3. Vendor provides a title list; should you buy them, or do you already have them?
Use Case 1: Considering Subscribing to a Package

• Don’t want to subscribe to titles/holdings to which you already subscribe
• Overlap Analysis can tell you! *
  • Compare a CZ collection to all of IZ

  * As long as the new collection is in the CZ

• Significant overlap ➔ don’t recommend purchase
• Little overlap ➔ recommend purchase
