

ExLibris UStat

Service Pack No:

Version 1.2.2, April 2011

Highlights:

1. DB1 R3 Counter reports are now supported by UStat.
2. Ten new compatible SUSHI vendors have been added.
3. Self-registration was added to UStat.

General Documentation for Service Packs:

In the Ex Libris Documentation Center:

UStat > Technical Documentation > Version 1.2.0 > UStat User Guide

Verde > Technical Documentation > Version 2.0 > Staff User Information > Verde Staff User Guide (for SFX 3 or 4) (Verde/UStat interoperability)

Description	Solution	Related Documentation	Implementation Notes	Module	SI Number
SFX and Verde users could not register themselves for a UStat account.	A "Registration" button has been added to UStat's homepage in order to allow users to register themselves.	UStat User's Guide		General	
DB1 Release 3 was not supported.	Support for DB1/R3 has been added.	UStat User's Guide		General	
<p>The following SUSHI vendors have been added to UStat:</p> <ul style="list-style-type: none"> • Nature • Journal of Studies on Alcohol and Drugs • APA PsycNET • BioOne • IEEE Xplore • Palgrave • OvidSP • Accessible Archives • Journal of Coastal research • Journal of Parasitology • Journal of oral Implantology • The Cleft Palate – Craniofacial Journal • Radiation Research • American Meteorological Society • AGU • APS • OSA • AIP Scitation 		UStat User's Guide		Administration	
Due to a problem in the SUSHI harvesting process last month, there are SUSHI accounts that are 'stuck' with 'Pending' status and did not harvest this month.	These 'stuck' 'Pending' accounts were released and are now set to 'Failed'. This will enable the accounts to harvest normally next month or harvest on demand.			Administration
