Key FAQs

Q: When is the release?

- Our release is scheduled for November 7.

Q: Can we preview changes before activating?

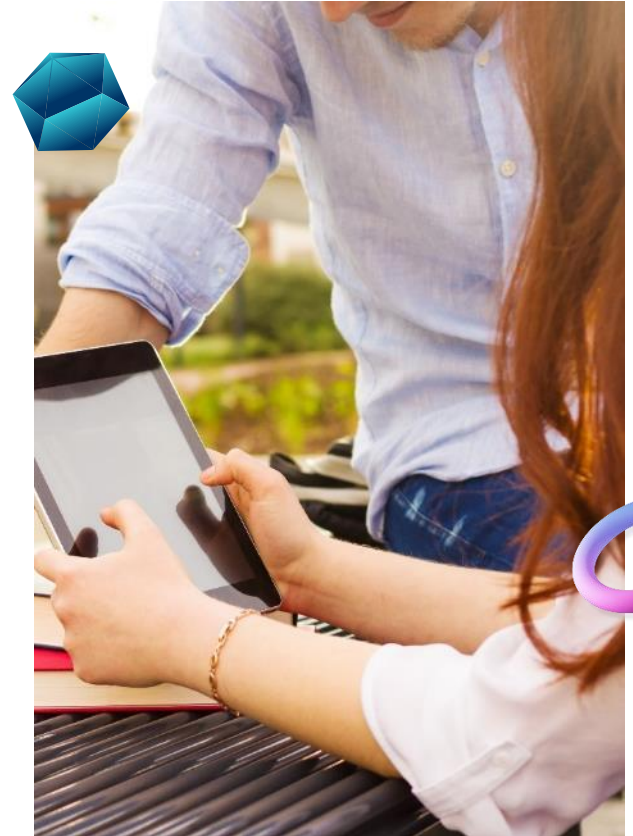

- A preview option is available October 24 to November 7.

Q: Will these Summon improvements automatically go live for my end-users on November 7?

- No user-facing feature is inherited by default within this release.

Q. What about custom scripts that I have implemented?

- We recommend that you check your custom scripts if you make any configuration and customization changes.

Thank you!
