

# SIMPLIFYING CLASSROOM ATTENDANCE

Join our Attendance Partnership Program to deploy an affordable and complete solution for student attendance and engagement, providing a personalized mobile experience.

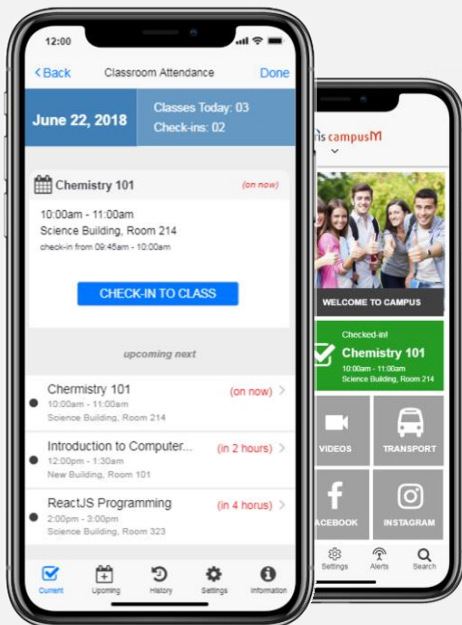

Native apps and web portal

Integrated student attendance

Academic and social functions

# SIMPLIFYING ATTENDANCE ACROSS CAMPUS

A **complete solution** for tracking attendance while allowing the university to **comply with local regulations** and leverage insightful analytics to **deliver constructive intervention** for student success and engagement initiatives.

## SIMPLE

- No hardware or equipment installation
- Works off any device
- Minimal classroom disruption

## CONNECTED

- Part of the main university app
- Connected to the Student Information System
- Used by all university stakeholders

## AFFORDABLE

- Included in your campusM subscription
- One-time implementation fee
- Minimal ongoing maintenance

# INTEGRATED ACADEMIC & SOCIAL FUNCTIONS IN ONE APP

## Key Benefits:

- **Consolidated:** integrated with key campus systems
- **Consistent:** familiar UX available on any device
- **Personal:** user customized experience
- **Branded:** design according to guidelines
- **Insightful:** standard and custom analytics

# PARTNERSHIP PROGRAM

## PROGRAM OVERVIEW

Classroom attendance has a clear, well documented impact on student retention and success, which is intrinsically linked to institutional ranking and student satisfaction, key KPIs for higher-education institutions.

**Simplifying  
classroom  
attendance tracking**

**Promoting the  
university app with  
its social and  
academic services**

**Delivering means  
and data for  
constructive  
intervention**

**Supporting  
compliance with  
local regulations**
