Pivot & Papers Invited

Search funding, profiles and conferences in one tool!

Pivot® connects researchers to financial support by leveraging the most comprehensive global source of sponsored funding opportunities, coupled with scholarly profiles to perfectly match researchers with funding opportunities, connections with potential collaborators and exposing them to publication options.

With Papers Invited, found within Pivot, scholars can discover special journal issues and search thousands of conferences from all over the world that are requesting “calls for papers” where researchers can present and publish their research, covering hundreds of academic disciplines.

Papers Invited is a valuable, easy-to-use resource that is editorially curated with opportunities matched to the Pivot controlled vocabulary for optimized discovery. Search by keyword or browse conferences organized across more than 150 disciplines. Advanced search allows users to zoom in on specific locations, deadlines and more. Papers Invited can even be paired with Pivot funding searches to find travel grants.
Papers Invited can help scholars gain exposure to their works while increasing the visibility of your institution. So Easy!

1. Find conferences calling for papers
2. Locate potential sponsors
3. Present and publish your work
4. Connect with organizers and collaborators
