

Collaboration with the community in developing Alma Analytics

Yoel Kortick
Senior Librarian

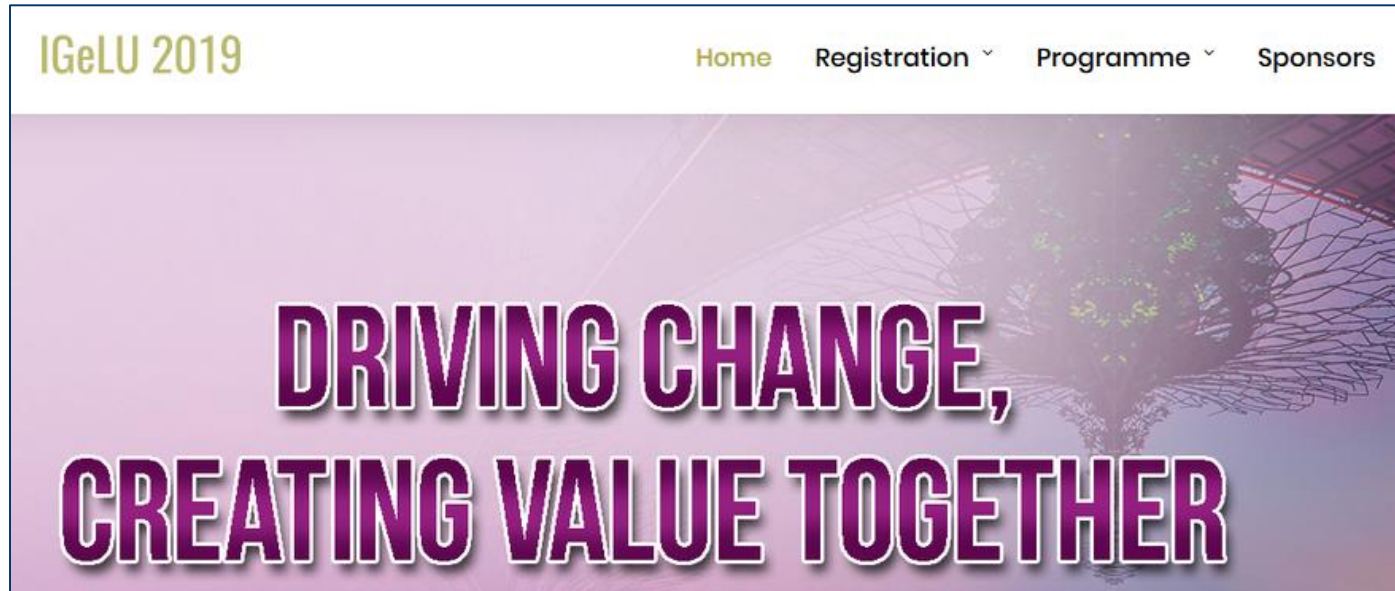

Active Alma Analytics Basecamp Groups

- Testing Alma Analytics OBIEE Version 12
- COUNTER in Alma Miscellaneous Issues
- COUNTER Version 5 in Alma and Alma Analytics
- Alma Analytics Electronic Inventory and Cost Per Use
- Improving Alma Analytics Performance for Large Institutions
- Alma Analytics Evidence Group

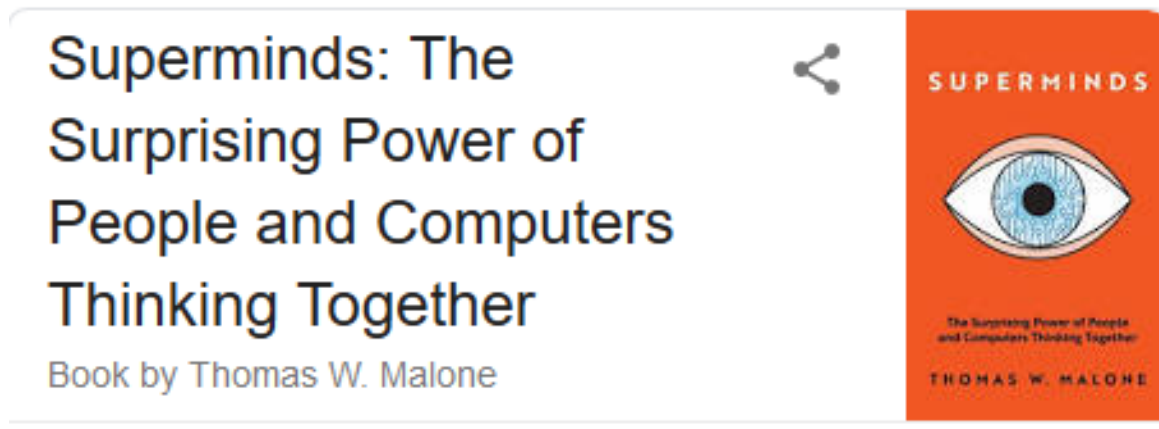

Active Alma Analytics Basecamp Groups

- These groups allow us to create value together

Active Alma Analytics Basecamp Groups

- Thinking together

Mentioned in Masud Khokar's lecture "Driving Collective Change in a Digital World" 27 Aug. 2019

Active Alma Analytics Basecamp Groups

- 88 members from 40 institutions

- Adelaide University
- Auckland University
- Bolzano University
- Boston College
- Brandeis University
- Chinese University of Hong Kong
- Emory University
- Frie University of Berlin
- Georgia Piedmont
- Georgia Tech Library
- Harvard University
- KU Leuven
- Kentucky Community Technical
- Marist College
- Memorial University of Newfoundland
- Monash University
- Northeastern University
- Northwestern University
- Oakland Community College
- Oklahoma State
- Pacific Northwest National Laboratory (PNNL)
- Purdue University
- RMIT University
- State Library of Queensland
- Temple University
- The University of Tennessee, Knoxville
- UiO Universitetet i Oslo
- University de Lorraine
- University of Connecticut
- University of Edinburgh
- University of Iowa
- University of Iowa Libraries
- University of Minnesota
- University of Queensland
- University of Sheffield
- University of St. Thomas
- University of Texas at Dallas
- University of Wisconsin - Madison
- Virginia Commonwealth University
- Weizmann Institute

Testing Alma Analytics OBIEE Version 12

- 23 members from 15 institutions
- Emory University
- Georgia Piedmont Technical College
- Georgia Tech Library
- Kentucky Community & Technical College
- Oakland Community College
- Oklahoma State
- Pacific Northwest National Laboratory
- Purdue University
- Temple University
- The University of Tennessee, Knoxville
- University of Connecticut
- University of Iowa Libraries
- University of St. Thomas
- University of Texas at Dallas
- Virginia Commonwealth University

Testing Alma Analytics OBIEE Version 12

- Sept. 22, 2019 will begin testing the following via early access on live environment:
- OBI version 12 (upgraded Alma Analytics interface)
- Data Visualization (DV) (Additional analytics tool to be released with Alma during upgrade to version 12)

COUNTER in Alma Miscellaneous Issues

- 23 members from 6 institutions
- Adelaide University
- Auckland University
- Bolzano University
- Monash University
- RMIT University
- University of Queensland

COUNTER in Alma Miscellaneous Issues

- Exists since Aug. 3, 2016
- Originally started when COUNTER functionality was moved from UStat to Alma.
- 232 Discussions
- 430 Files
- Miscellaneous question regarding COUNTER platforms, vendors, measures, etc. as they have been certified and developed in Alma

COUNTER Version 5 in Alma and Alma Analytics

- 9 members from 8 institutions
- Adelaide University
- Auckland University
- Monash University
- Northeastern University
- RMIT University
- University de Lorraine
- University of Queensland
- University of Texas at Dallas

COUNTER Version 5 in Alma and Alma Analytics

- Already are setting up SUSHI accounts for COUNTER release 5 compliant vendors. Testing connection and response with the vendors on live environment.
- In Sept. release will use the automated SUSHI harvesting job for testing interaction with these vendors.

Alma Analytics Electronic Inventory and Cost Per Use

- 18 members from 11 institutions
 - Boston College
 - Brandeis University
 - Chinese University of Hong Kong
 - Frie University of Berlin
 - Harvard University
 - KU Leuven
 - RMIT University
 - UiO Universitetet i Oslo
 - University of Minnesota
 - University of Sheffield
 - University of Texas at Dallas

Alma Analytics Electronic Inventory and Cost Per Use

- Worked closely with Ex Libris development since 2017 as the Funds Expenditure and Usage Data subject areas were combined with E-Inventory in new folder “Cost Usage”.
- Provided consultation for the new structure of cost per use
- Via “early access” was able to test and make recommendations regarding the new ‘COUNTER Platform” field added to the E Resource for Cost Usage.

Improving Alma Analytics Performance for Large Institutions

- 4 members from 1 institution
- University of Wisconsin - Madison

Improving Alma Analytics Performance for Large Institutions

- Received early access to an upgraded Analytics Database ([Vertica](#)) to test performance.
- Tested running reports in new environment

Alma Analytics Evidence Group

- 12 members from 12 institutions
- Boston College
- Frie University of Berlin
- Harvard University
- Marist College
- Memorial University of Newfoundland
- Northwestern University
- State Library of Queensland
- University of Edinburgh
- University of Iowa Libraries
- University of Minnesota
- University of Texas at Dallas
- Weizmann Institute

Alma Analytics Evidence Group

- Topics discussed in recent meetings:
 - Changing the date dimensions in the various subject areas in Alma, Primo and Leganto to be uniform
 - Improvements for Primo Analytics, for example making all dates uniform (addressed above) and resolving issues with referrer data
 - Resolving random analytics time-outs in Alma
 - Adding the MARC 008 and Leader to Alma Analytics

THANK YOU!
