Feature Highlights

Course Reserves Automatic Statuses

- Customize how Leganto will flag certain types of citations for library review
 - Mark citations as complete that you don't need to review
- Customize status changes on specific actions
 - Purchase request submitted
 - New citation added to completed list
 - Last citation on a list marked as completed
- Combine with “Additional reading list citation statuses” (for example: On order)
 - Fulfillment Configuration—Courses—Additional Reading List Citation Statuses

Citelt! Options

- Citelt Filtering
- Move Source URL
- Citelt Button Installation Video

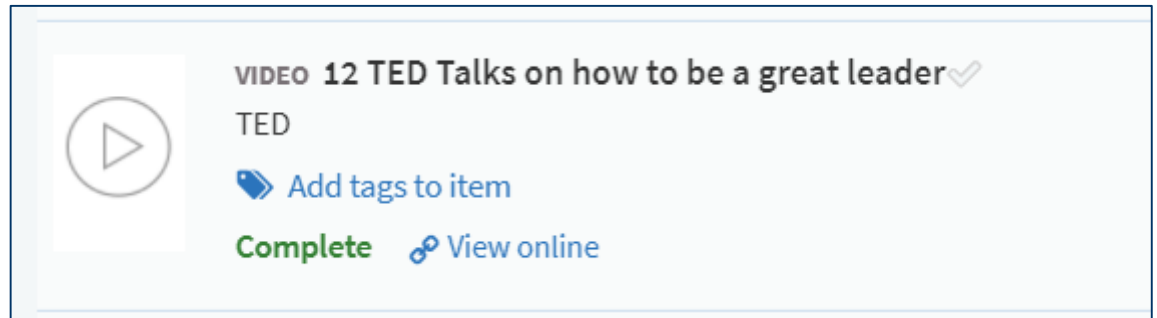

The screenshot displays the Citelt! citation creation interface. At the top, it says "Add this to my list" with the Ex Libris logo. Below this, it indicates "Covered by your library" and "Create citation". The form includes the following fields:

- Title*: Invited Commentary: Resilience and Positive You...
- Author: Ann S. Masten
- Type*: Article (dropdown menu)
- Source: <https://rd.springer.com/article/10.1007/s109...> + Add source
- Journal Title: Journal of Youth and Adolescence
- ISSN: 1573-6601
- Publication Date: 2014/06/01
- Volume: 43
- Issue: 6

At the bottom, there are options to "Add to: Collection List". The "List" option is selected, and the dropdown menu shows "Leadership and Business Strategy" and "Default Section". There are "Add" and "ADD & CLOSE" buttons at the bottom right.

Citelt Filtering

- Define Whitelist or Blacklist
 - Leganto Configuration—List Management—Course Reserves Automatic Statuses (cite_it_filter)
- Define the List
 - Leganto Configuration—List Management—Cite it filtering
- Examples:
 - Blacklist:
 - Amazon
 - YouTube
 - Whitelist:
 - .edu
 - .gov.uk

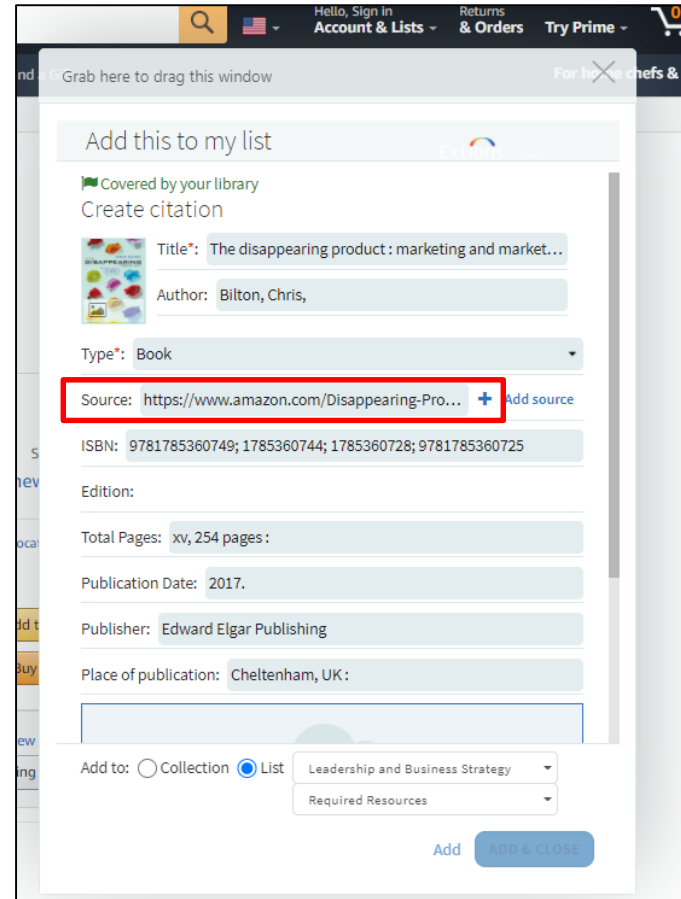

[Documentation](#)

Move Source URL

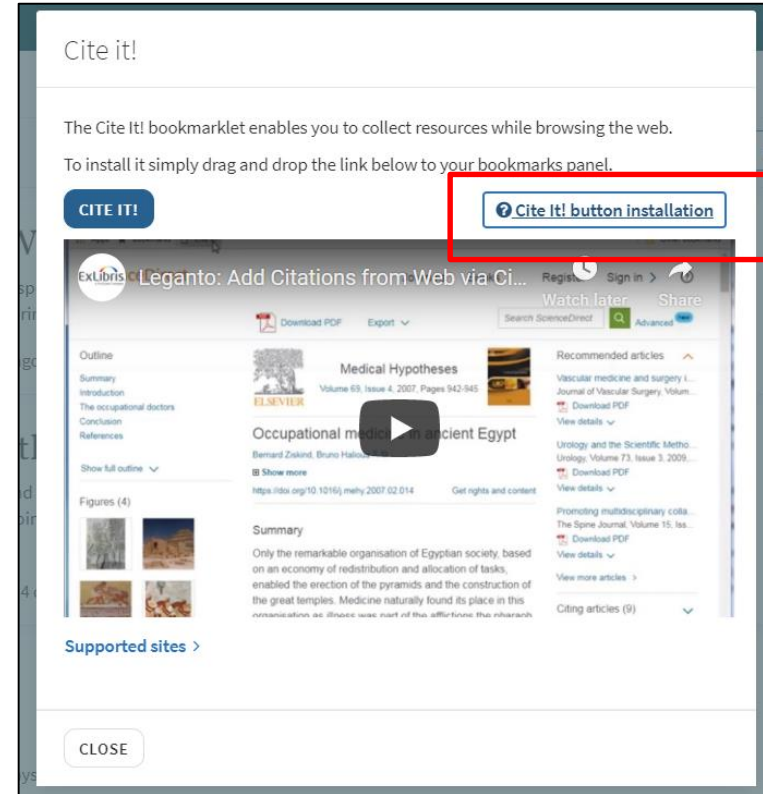

- The Citelt source URL can be automatically be removed from the source field and moved to a note field
- If not moved, this will be in the Links and Availability section
- If moved, students will see only library inventory

[Documentation](#)

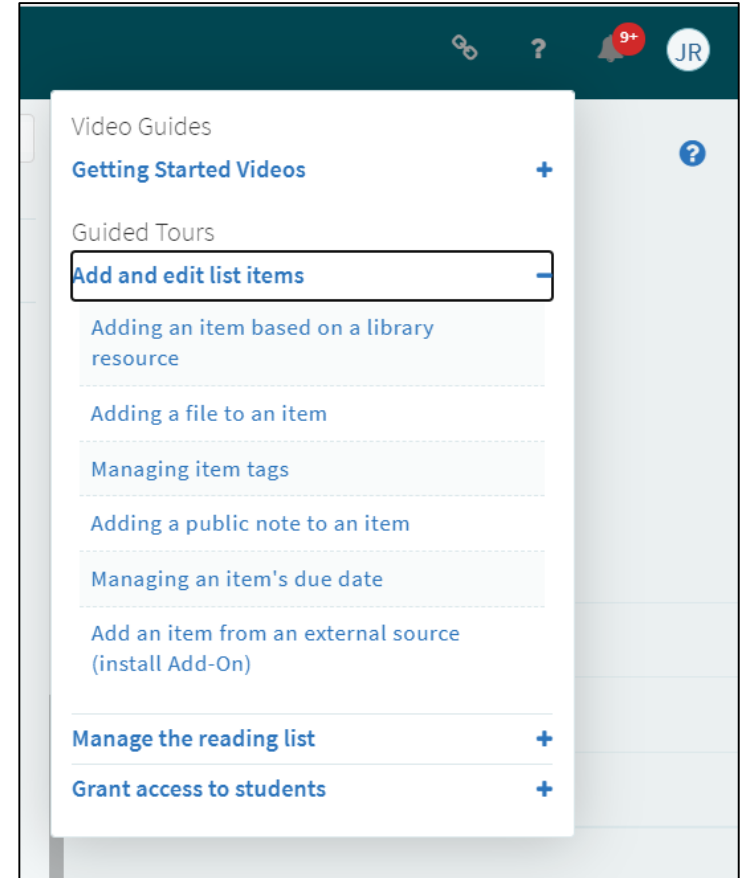

Customize CiteIt Button Installation Video

- Video to help instructors install CiteIt.
- You can configure this link in the Leganto Features table, found in **Leganto Configuration > Features > Leganto Features**.
- Change the link in the parameter **cite_it_video_link**

Guided Tours/Guided Videos

- Help documentation for instructors
 - Walk instructors through common tasks and workflows
- Enable/disable videos and tours
 - Leganto Configuration—Features—Guided Tours
 - [Documentation](#)
 - Leganto Configuration—Features—Guided Videos
 - Change links to use other videos
 - [Documentation](#)

Questions and Answers

- Require instructors to fill in additional details or instructions for the library
- Configure questions for specific resource types or availability

What would you like the library to do with this item?

Move to course reserves--2 hour loan

Move to course reserves--1 day loan

Integration with the Learning Management System

- When Leganto is embedded in the LMS, you can make customizations to optimize the end-user experience
 - [Configure the iFrame height](#)
 - [Hide the left pane](#)
 - Highlight the option to open Leganto in a new tab
- [Create Courses Automatically](#)

Leganto Labels

- Change any piece of text on the Leganto interface
- Changes won't affect other Ex Libris products (discovery)
- Search the labels menu for the text you want to change. Keep in mind text may appear in more than one label.

Questions?

Thank you!
