Code Tables Overview – DEMO

What are Front End Code Tables?
• Allow translation of terms visible in Front End
• Also allow customization of these terms

Getting to the Code Tables
• Primo Back Office > Advanced Configuration > All Code Tables
Filtering and Searching – DEMO

Filtering
- Subsystem (Front End)
- Language

Searching
- Searching for terms
  - May produce more than one table
  - e.g. Sign In
- In the Code Table
  - search term filters the results
  - remove to see all entries in table
Agenda
