I wish to close my HSA account and handle the balance as follows (check one of the following):

- checkbox My HSA currently has a zero balance; OR
checkbox I have funds in my HSA account and request that the balance in my Base Balance and in my Investment Account(s) (if applicable) be distributed as follows:

NOTE: If your investment account is a Charles Schwab Self-Directed Brokerage Investment Account, you must contact Devenir directly at 952-345-3261 to request that they liquidate individual securities in your Charles Schwab Self-Directed Brokerage Investment Account. We cannot request the transfer for you or close your HSA until the transfer is complete.

- checkbox 1. Normal Distribution - Distributions for any reason other than removal of an excess contribution, death, disability or a prohibited transaction. (Includes distribution to spouse after year of death).
checkbox 2. Excess Contribution Removal - If your contributions exceed the applicable maximum annual contribution limit, then you may request further to withdraw the excess contributions and any net income attributable to such excess contributions.
checkbox 3. Disability - You may take a distribution due to disability only if the disability renders you unable to engage in any substantial gainful activity and it is medically determined that the condition will last continuously for at least 12 months or lead to your death. Disability distributions may be subject to ordinary income tax.
checkbox 4. Death (in year of death to any beneficiary, or after year of death to an estate) - If you are requesting a distribution as a beneficiary, you must furnish proof to verify your entitlement to receive the distribution along with a death certificate. Use this reason for all payments during the year of death and to an estate after the year of death.
checkbox 5. Prohibited Transaction - If you are requesting a prohibited transaction as defined in IRC Section 4975(c), you may be subject to an IRS penalty. If the prohibited transaction is not corrected timely, an additional penalty may be imposed.
checkbox 6. Death (after year of death distributions to any beneficiary other than estate or spouse) - If you are requesting a distribution as a beneficiary, you must furnish proof to verify your entitlement to receive the distribution along with a death certificate. Use this reason if you are requesting a distribution as a nonspouse beneficiary after the year of death. (See codes 1 and 4 for other possible after year of death situations).

Qualified Medical Expenses

Medical expenses include payments you make for the diagnosis, treatment, or prevention of disease or for treatment affecting any part or function of the body and the amounts you pay for transportation to get medical care.

It is possible that changes in the IRS rules can affect what is considered a qualified medical expense. In general, the medical expenses that are allowable deductions on your Federal Income Tax Return (IRC Section 213(d)) are also reimbursable expenses through your account.
