

### Power Cables

- RLCAB010M Cigar plug power lead
- RLCAB014M Unterminated power lead
- RLACS112M 5 Ahr Li ion Battery Pack

### USB

- RLCAB066-2 PC
- RLCAB066-2 Q1 Display
- RLCAB073M USB Stick Cable
- RLACS126 4 GB USB Stick (via CAB073)
- RLACS132 250 GB External Hard Disk (via CAB073)

### Cameras

- RLACS134 Sony 580 TVL Camera with 3m cable
- RLACS135 Sony 420 TVL Camera with 3m cable

### Microphones

- RLACS133 Microphone
- RLCAB095 Splitter Cable for use with 2 microphones
- RLACS095 Input adapter including microphone
- RLACS095PM Input adapter including phono (male) connector
- RLACS095FJ Input adapter including jack (female) connector

### CAN Input / Output Cables

- |                            |            |                  |
|----------------------------|------------|------------------|
| Equipment                  | Cable      | Connector        |
| Vehicle / 3rd Party Logger | RLCAB015M  | Unterminated CAN |
| Vehicle / 3rd Party Logger | RLCAB019M  | 9w D Connector   |
| Vehicle                    | RLCAB069M  | OBDII Connector  |
| <b>Modules</b>             |            |                  |
| VBDSP03                    | RLCAB090-C |                  |
| VBTC8                      | RLCAB090-C |                  |
| ADC02                      | RLCAB090-C |                  |
| ADC03                      | RLCAB090-C |                  |
| FIM03                      | RLCAB090-C |                  |
| VBMIM01                    | RLCAB090-C |                  |
| VDMICIN01                  | RLCAB094-C |                  |

### SD Card

- RLACS259 8 GB SDHC Card
- Any SDHC Card up to 32 GB - Formatted in FAT32

### GPS Antenna

- RLACS070 Standard GPS Antenna

### AUX / RS232

- RLACS121M 3.5" Camera Preview Monitor
- RLCAB076M AV Output cable
- Equipment Cable
- OLED - VBDSP04 RLCAB092
- OLED - VBDSP05-M Flying lead from unit
- DriftBox - DB01 RLCAB098

### Remote Logging Switches

- | Cable        | Function                               | Connects to     |
|--------------|--|-----------------|
| RLACS164-M   | Logging Switch                         | CAN             |
| RLACS164-MU  | Logging Switch + USB                   | CAN + USB       |
| RLACS164-MUP | Logging Switch + USB + Preview Monitor | CAN + USB + AUX |
