

Health Savings Account (HSA) Transfer Instructions

Welcome to your HSA

CareFirst BlueCross BlueShield (CareFirst) offers BlueFund plans to give you more control over your health care dollars. If you currently have an HSA with another administrator, here's some information to help you transfer your current available balance to FurtherSM, CareFirst's HSA administrator.

Please complete and return the attached HSA Transfer Request form.

- CareFirst does not charge a fee to transfer your account, but your current HSA administrator might. Ask them about any applicable account transfer fees.
- **If you have an investment** account attached to an HSA with your current administrator, you must complete section 2B (Payment Schedule and Investments) on the HSA Transfer Request form.
- **If you do not have an investment** account attached to your HSA, please only complete section 2A, skipping section 2B.

By transferring your dollars to a BlueFund HSA, you'll have no administrative cost (unless you choose to invest), great interest rates, investment options, 24/7 customer service and much more. If you choose to invest, the annual account fee is only \$18.

Please allow **10–14 business days** to complete your HSA transfer.
