

8x8 Meet

Start a Meeting

1. Go to <http://8x8.vc>
2. Select **Start a meeting**, then enter a meeting name and select **Start meeting** to instantly start a meeting without having to Sign up or register.
3. Enter your name and select **Join meeting**

Invite more people

Select the Invite icon to see the meeting link and dial-in information.

Simply copy and paste one or both into an IM or email, and send to the people you want to meet with.

More Actions

Manage video quality and update microphone/webcam settings. Access Security Options to add a private passcode to the meeting.

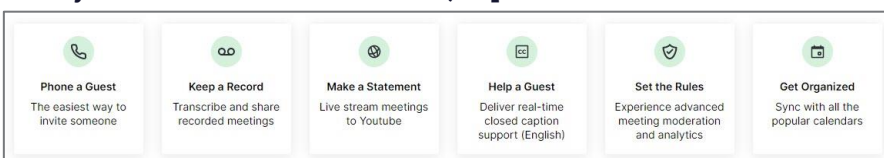

Toggle Video and mic on/off

Mute and unmute your mic, and turn your video camera on or off.

Share Screen

Share the entire screen or select an individual application window.

Now you have mastered the basics, explore more features

Use it everywhere

Meet from anywhere with our Apps. Available on Web, Mobile, and Desktop.
