

Top Image Systems is Now Part of Kofax

Digitally transform end-to-end business processes with Intelligent Automation through Kofax.

KOFAX

WHAT

The merger of Top Image Systems (TIS) into Kofax brings **exciting and new opportunities for TIS customers**: broader team, broader expertise, broader product line, combined with efficient and legendary Support, Customer Advisory and world-class Professional Services.

WHY

The merger into the Kofax organization **augments the product portfolio and strengthens** the Support, Professional Services and Customer Success initiatives within TIS.

HOW

TIS Support, Customer Success and Professional Services will **continue to be provided to all TIS customers** through familiar and improved channels. TIS Products will continue to be fully supported.

WE ARE HERE FOR YOU, ALWAYS

Your success is our success. The TIS Support, Professional Services, Sales, Account Managers and Customer Success teams work together to ensure you are getting the most of your investment with TIS products and services—during the integration and after.
