## Information Visualization MOOC

### Unit 7: Dynamics & Deployment

Hans Rosling's Gapminder

Gapminder World Map – Mattias Lindgren – 2010

## 200 Countries, 200 Years, 4 Minutes

Watch <http://www.youtube.com/watch?v=jbkSRLYSojo>

# Dissecting the Gapminder Graph

- 2-axis reference system (x-axis money, y-axis health)
- Country money and health: Location
- Country population: Circle size (quantitative)
- Country continent: Circle color hue (qualitative)
- Country name: Label

Country location and circle size (but not color) change over time.
