Welcome to our Latest Release

EasyCruit by Lumesse continues to deliver customer value through its new releases, providing features that make the user experience more efficient and enjoyable.

[Click here](#) to watch a video demonstrating the new features.

We are Implementing Your Ideas!

Our teams work to constantly improve the features we offer you and we gather feedback in two ways:

✦ Ideas:

Through our customer portal (www.lumesse.com/community) where all customers and employees of Lumesse can share their enhancement requests or new feature ideas.

✦ Account Manager Feedback:

Our Account Managers welcome your ideas and feed them into our teams.

Solutions included in this Release

Solution Number	Salesforce Number	Bug Description	Solution Description
EC-291	263556 273005 274967	AMS job board: if a customer has a hyphen in the Company name then category drop downs do not work	Resolved
EC-318	267389	For EasyCruit users, no error message is displayed if repeated password is not supplied.	Error message now displays 'passwords do not match'
EC-320	271464 272046	System error displayed when viewing a candidate, if the user does not have access to any projects	Resolved
EC-173		Potential for spam emails to be sent using the 'send to a friend' function.	When candidates send a job to a friend via email, the candidate now needs to type in the CAPTCHA.
EC-269		Updated Finn category options	Removal of 'Salg' from industry options.

Candidate apply with LinkedIn/ Xing/ Facebook/ Viadeo

Why? Quicker and easier for candidates to apply.

How? Candidates can use their social profile to pre-populate the application form.

Customers can choose to allow candidates to pre-populate their application form from LinkedIn/ Xing/ Facebook or Viadeo, which will be displayed as the first step in the application process.

The formatting, size and positioning of the icons can be tailored by your consultant to match your branding.

Step 1: Select social profile

POSITION: "SERVICE ASSISTANT"

Privacy Policy

I accept the privacy statement:

Quick Start

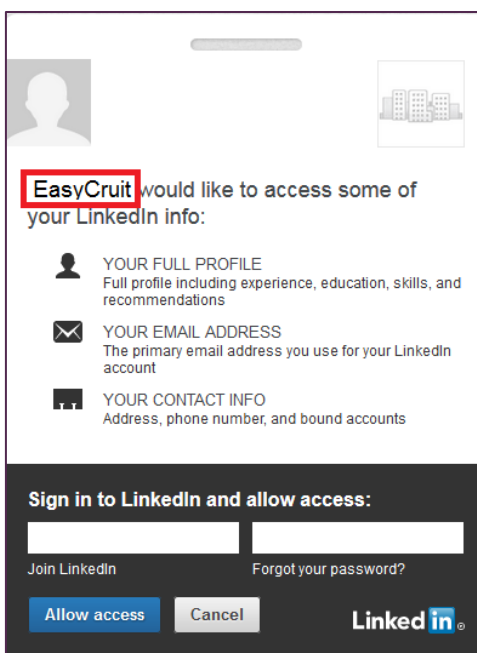

Import information from your social media profiles

Apply with    

Step 2: Authenticate social profile

After clicking on the relevant social profile icon, the candidate will then be prompted to authenticate.

Name of your organisation possible

EasyCruit would like to access some of your LinkedIn info:

-  YOUR FULL PROFILE
Full profile including experience, education, skills, and recommendations
-  YOUR EMAIL ADDRESS
The primary email address you use for your LinkedIn account
-  YOUR CONTACT INFO
Address, phone number, and bound accounts

Sign in to LinkedIn and allow access:

[Join LinkedIn](#) [Forgot your password?](#)

Step 3: Review information and provide additional responses

The following information will be populated if the candidate has the information in their social profile, and the question is included in the application form. The candidate can then review, edit and delete information, and answer any additional questions.

EasyCruit Application Question	LinkedIn	Xing	Facebook	Viadeo

Candidate upload documents from Dropbox/ Google Drive

Why? More accessible document upload facility

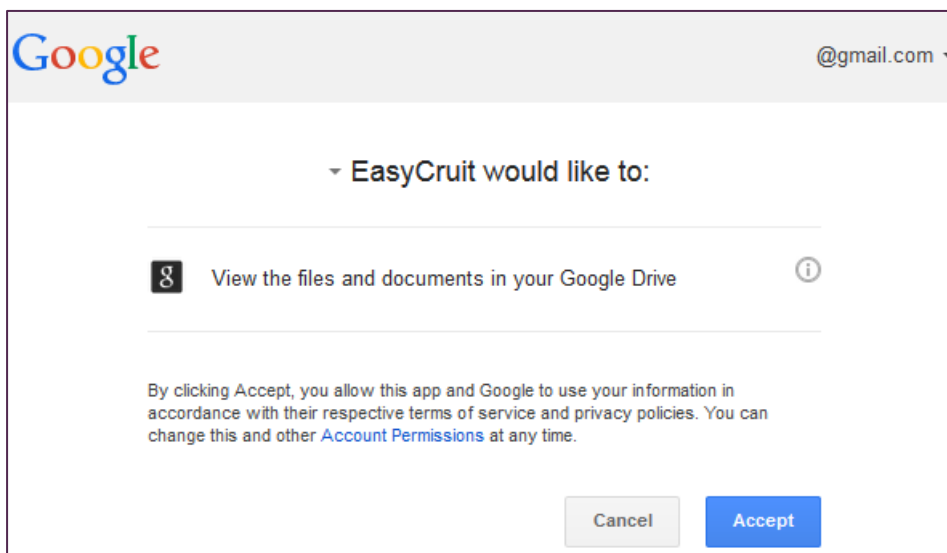

How? Candidates can upload from cloud document storage systems

Step 1: Select where to upload from

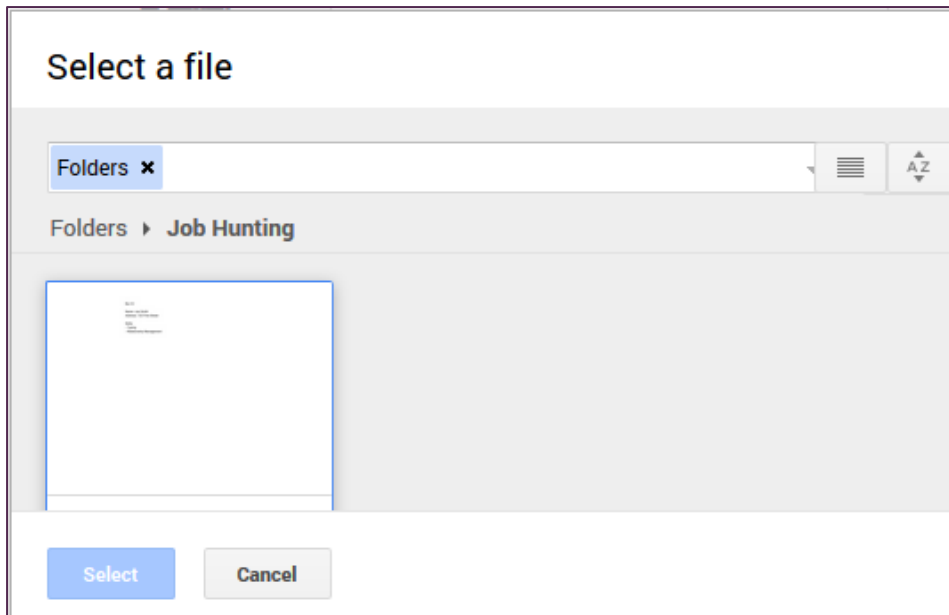

If activated, candidates can now choose to upload files from their Dropbox or Google Drive account by selecting the relevant icon. This icon will appear for any question allowing documents, excluding the Profile Picture.

Step 2: Authenticate

Step 3: Select file

Mobile friendly/ responsive application form

When implemented, this ensures that the application form adjusts based on the screen size it is viewed on, making it easier for candidates to use from their mobile device.

EasyCruit new look and feel - beta version

The colour and logo images for EasyCruit have been updated. The navigation and positioning remains the same.

This is available to customers who would like to review and give feedback to Lumesse.

All customers will receive the new look and feel in January 2015.

On this page you will find an overview of all the vacancy projects you have access to.

- "New and active"- Refers to current published vacancies
- "Expired"- Refers to the projects no longer published
- "Completed"- Refers to projects which you have marked as complete.

New and active			Expired			Completed
