

Cards vs Apps

Ask: Do Domo Cards meet your need?

- Do cards offer the right visualization?
- Do you need interactions instead of drilling?
- Do you have special calculations that aren't offered in cards or Beast Modes?

YES
NO

BAM!

Then use a card

You can get help choosing which one using guidance in the Knowledge Base,

NEXT STEPS

You might benefit from an app.

Does it exist in the appstore?

YES
NO

TRY IT!

Try it out and see if the app works for you by hitting the 'Try It' button in the app store.

A Custom Domo app can help.

Do you have the resources to build one?

YES
NO

Awesome.

Check out developer.domo.com. (Domo University has a class that can help...)

Let's get to work.

Work with Domo's App Team or with one of our partners to create a customized solution.
