

What is Dojo?

Dojo—the Domo Community—is a great place to ask questions, get answers, collaborate with other customers on best practices, and let your ideas be heard. Monitored daily by Domo Community experts—Dojo is the Domo forum for finding answers, searching for solutions, and expressing ideas.

Found within the Help Center, Dojo provides hundreds of solutions at your fingertips. You just have to search or ask a question.

Join the Conversation

With a community over 15,000 strong, the collaboration is deep and interesting. Come hangout, Domo-style. The more active you are, the more accolades you'll receive—earning Dojo badges, belts, invites to the Beta program, recognition, our VIP award ceremony at Domopalooza, and more.

Dojo Days

Get free access to the brilliant minds behind Domo in a scheduled free-for-all of community sharing. Here, you can ask any question you want, and Domo experts and other amazing customers are waiting to help you.

Ideas Exchange

Through Dojo, you have a voice—submit an idea for Domo product in the idea Exchange or vote for others' ideas you think are amazing. These go straight to our product team, so make sure you get heard.
