JOIN DISCUSSION

### Community Forum

Connect, collaborate, and share best practices to leverage the power of the platform. Ask your questions for the Dojo community to answer. You can search top discussion boards, scroll through featured topics, or respond to others' questions with your own Domo insights and expertise.

### Getting Started

You can access over 80 free eLearning modules and prepare to take one of the five Domo certification exams.

### How-to Videos

You can view over 400 videos for guided instruction for using Domo tools and creating new cards, pages, dashboards and Stories.

### How-To Articles

With over 1,500 articles, the Knowledge Base is your go-to resource to quickly learn how you can use the elements of the Domo platform.
