# Cal State Apply – Transfer Credit Entry

## Introduction

The CSU uses self-reported coursework to calculate an overall GPA and to determine admission eligibility. Failure to report all coursework completed may adversely affect admission eligibility and could result in a denial decision.

In the Academic History quadrant, transfer applicants enter detailed information about their education background. All tiles within the quadrant must be completed. The following pages provide detailed instructions for completing the first four tiles in the quadrant High Schools Attended, Colleges Attended, Transcript Entry, and General Education.

A

## **High Schools Attended**

All transfer applicants enter the high school where they earned their diploma.

Select Add High School.

Select the Country, State/Province and enter City to complete the location information.

Enter High School Name or Home School and Dates Attended

Select Term Type

Identify Graduation Status and complete diploma information if applicable

Once you enter all required information, the Save This School button will activate and change to blue.

Lower-division transfer (LDT) applicants must enter all high schools attended and complete the High School Coursework and A-G Matching tiles in the Academic History quadrant. These only show on the application for lower division transfers. For information regarding LDT admission requirements see the [Cal State Apply website](#) and the Freshman Coursework Entry Guide for instructions on how to enter high school courses and complete the A-G Matching section.

### **Upper Division Transfer Applicants without High School completion**

Upper division transfer applicants with 60 or more college credits are not required to have a high school diploma or equivalent. If you attended a high school but did not graduate, enter the high school and dates of attendance. Then select 'I Didn't Graduate from High School'.

## Colleges Attended

In the tile you will add all colleges attended and for each entry, the degree awarded or in progress, type of term system, and dates of attendance. Include international post-secondary institutions and U.S. institutions you attended regardless of accreditation status.

1. Select Add a College

2. Type in name of institution  
Begin typing the full institution name. The system will display results that match the information. Select the correct matching institution. Additional matches may be further down on list. Scroll down using mouse or the down arrow to see potential matches.

## Add Your Colleges

Please add all undergraduate, graduate or professional institutions you attended or are currently attending.

You may update the information in this section at any time prior to submission.

\* Indicates required field.

The image shows a search dropdown menu. At the top, there is a red asterisk followed by the text "What college did you attend?". Below this is a search input field containing the text "City Colle". A list of search results is displayed below the input field, each with a college name and its location: "BERKELEY CITY COLLEGE California, United States", "CITY COLLEGE - CASSELBERRY Florida, United States", "CITY COLLEGE - FORT LAUDERDALE Florida, United States", "CITY COLLEGE - GAINESVILLE Florida, United States", "CITY COLLEGE - MIAMI Florida, United States", and "CITY COLLEGE OF SAN FRANCISCO California, United States". At the bottom of the list is a link with a question mark icon and the text "Can't find your school?". A red dashed arrow points downwards along the right side of the dropdown menu, and a red box highlights the downward-pointing arrow at the bottom of the list.

Lookup table includes all institutions, domestic and international with a College Board CEEB code.

If you are unable to find your institution, verify name is entered without abbreviations and matches official name on transcript. If the institution is not found, select 'Can't find your school' and complete the degree, term and attendance information.

Once you complete all required fields you will be able to select 'Save This College'.

## Transcript Entry

Complete the Transcript Entry tile, entering ALL courses. This includes repeats and non-transferable courses.

Initial admission eligibility determination is made based on applicant reported courses and grades. Undergraduate degree applicants are required to enter all college coursework based on transcript information as it appears on the transcript.

Transcript entry for foreign institutions is not required.

In the Transcript Entry tile, **select 'Start'** to begin course entry for a college.

**Transcript Entry**

Enter transcript information exactly as it appears on your transcript. Your transcript details will be reviewed by a quality assurance team. If there are inaccuracies, your application will be sent back to you, and this will result in delays in submitting your application. All courses must be included, even if you did poorly or later repeated the course. If you have transfer credits, enter these credits from the institution where you originally took the course.

After you enter transcript information for all colleges attended, you will complete Transcript Review. In Transcript Review you will be asked to identify additional attributes about your coursework including Primary College and courses that are Repeated, Advanced Placement, Other Tests, Honors, and Study Abroad.

**General Guidelines:** Enter courses under the institution where you originally took the course, and enter information exactly as it appears on your transcript (include any planned and in-progress coursework). Include all courses, even if you did poorly or later repeated the course. If you are using Advanced Placement (AP), CLEP, or International Baccalaureate (IB) tests to satisfy general education requirements, add a course for each test. For the course title, enter AP and the name of the exam (for example AP Exam Calculus).

**IMPORTANT:** You must enter coursework so that a CSU GPA can be calculated properly.

**Transfer Applicants:** [Click here](#) to review a Transfer Credit Entry.

**Returning Applicants:** If you are returning to the same CSU that you last attended and have not taken any college courses at another institution, select "I Am Not Adding Any College Transcripts." If you have taken courses at another institution, enter the coursework for that institution. If you are applying to an additional campus as a new applicant, you will need to enter all transcript information.

**Graduate and Credential Applicants:** Only enter courses that are in-progress or planned. Select "I am Not Adding Any College Transcripts" if you don't have in-progress or planned coursework. If you entered multiple colleges in the Colleges Attended section and have in-progress or planned coursework for at least one of those colleges, complete the following tasks:

1. Enter the in-progress or planned coursework under the appropriate college(s).
2. For all other colleges where you don't have planned or in-progress coursework, enter a single completed course for that college. You can choose any completed course.

### Tips for determining course transferability:

- California Community College students can use ASSIST.org to view CSU transferability.
- Course numbering system on the back of the transcript or in course catalog often indicates college level, bachelor degree applicable courses.
- CCC course catalog may indicate CSU in the course description.
- Does not include college preparatory or remedial level coursework.
- Check with transfer counselor at community college

**Select 'Save All'** once all courses for the term have been entered.

Verify all courses for the term are listed with the correct credit, grades and transferable status before saving.

If you are unable to select 'Save All' double-check entry, making sure all fields for each course entry have information, including the Subject field.

**Select Add Semester** to add courses for another term. Repeat steps until all terms have been entered.

For terms that are in-progress or planned, select In Progress/Planned in the drop down box in the term header. Grades are not required for in progress or planned terms.

The screenshot shows a form with four dropdown menus: TERM, YEAR, ACADEMIC STATUS, and COMPLETION STATUS. Each dropdown has a 'Select' option and a downward arrow. The COMPLETION STATUS dropdown is highlighted with a red box and shows 'In Progress/Planned' selected. Below the form are buttons for '+ Add A Course', '+ Add A Semester', 'Cancel', and 'Save'.

Review entry and compare to transcript. Make sure to enter ALL courses with correct unit and grade values. This includes non-transferable courses, withdrawals and repeats. Verify the Transferable box selection for all transferable courses, regardless of grade entered.

**No changes can be made to coursework entry once you submit your application.**

After entering and verifying course entry for a college, return to the Transcript Entry tile by selecting the tile on the left of the screen.

Select the next institution to enter. Repeat until all college coursework has been entered for all required institutions. Each institution should have a fully green status bar and check mark.

## Repeats and Academic Renewal

For admission purposes, the CSU honors “the grading policies of the institution where credit was earned by accepting official transcript entries including those reflecting academic renewal, repeat, and incomplete grades” (*Admission Handbook 2019-2020*).

If transcript identifies the course as repeated and excludes course from institution GPA, enter a grade of RP. This applies to district transcripts that may include repeats at different colleges within the district and note them on one transcript.

Do not mark repeats for in progress courses. If a repeat is in progress, the original grade is reported.

## Test Credit and CSU GE

Enter credit awarded for AP, IB, CLEP or other exams noted on the primary college transcript as coursework. Add test credit to first term of attendance. The application will then include earned test credit in calculated transfer credit totals and allow you to apply towards eligible GE area in the General Education section that follows.

### Field entry instructions

Course Code: Enter test + abbreviated subject

Course Title: Enter full subject description starting with the test type AP, IB, or CLEP

Subject: Select 'Test Credit – No Subject' from the drop down menu

Credits: Enter credits awarded by transfer institution

Grade: Enter grade of CR

Transferable: Check the Transferable box.

Sample entry for AP and IB tests

Spring 2017 Freshman								
* COURSE CODE	* COURSE TITLE	* SUBJECT	* CREDITS	* GRADE	CAS GRADE	TRANSFERABLE		
AP ENGL LAN	AP English Language	Test Credit - No Subject	3.00	CR	No	<input checked="" type="checkbox"/>

ENGLA109	Critical Reasoning and	English	3.00	A	A	<input checked="" type="checkbox"/>		

*Applicants still need to enter AP and/or IB test information in the corresponding tiles in the Academic History quadrant. The CSU awards credit for tests based on CSU policy and not what another college or university awards. You can review CSU test credit policies for [AP](#), [IB](#), and [CLEP](#) online.*

## International Credit and CSU GE

Transfer credit entry is not required for international institutions. Applicants are not able to designate GE credit for international credit. The GE tile will be checked off stating you opted not to add any General Education courses for applicants with only international credit to report.

## **Military Credit**

Applicants can upload copies of the DD214 and Joint Services Transcript in the Documents area of the application. Credit awarded for the military service and training is not entered under Transcript Entry. Campuses will review the uploaded documentation and request official copies later on in the admission process if needed.

*If the community college is applying military credit to meet the 60 credit minimum for transfer and/or associate degree credits, those may be entered as one course under the community college course entry as follows:*

Course code: Military

Course Title: DD214

Subject: Special Topics

Credits: Enter 3 - 6 credits depending on the value assigned on the community college transcript.

Grade: CR

* COURSE CODE	* COURSE TITLE	* SUBJECT	* CREDITS	* GRADE	CAS GRADE	TRANSFERABLE
Military <small>e.g., BIO 101</small>	DD 214 <small>e.g., Introduction to Biology</small>	Special Topics ▾	3 <small>e.g., 3.00</small>	00 ▾	CR <small>e.g., 85 or B</small>	None <input checked="" type="checkbox"/> 

## **Blended Courses**

Blended courses offered by a California community college include college level and remedial content combined in one course and only partial credit transfers to the CSU. Enter the course code, title, subject and in the 'Credits' box indicate the CSU transferable credit value. Then enter the grade earned if completed and then check the Transferable box. This ensures the application calculates an accurate transferable credit total.

For example, a blended or intensive English Composition and Reading course offered for 5 credits, with 3 of the 5 units transferable will be entered with three credits and the transferable box checked. If the applicant chooses, the course can be entered a second time with the non-transferable/remaining credit value and the Transferable box unchecked.

## **Review & Finalize My Transcripts**

Once entry is completed for all required colleges, select Review & Finalize My Transcript. Responses collected in this process are informational only.

The screenshot shows the 'Transcript Review' section of an application. At the top, there is a heading 'Transcript Review' followed by two paragraphs of instructions. Below the text is a progress bar with a checkmark on the right. A prominent blue button labeled 'Review & Finalize My Transcripts' is highlighted with a red arrow. Below this are three college entries: 'ORANGE COAST COLLEGE', 'SIERRA COLLEGE', and 'UNIVERSITY OF ESSEX, COLCHESTER'. Each entry has a green progress bar with a checkmark and an 'Edit' button. A note at the bottom states: 'You do not need to enter transcript information for foreign colleges.'

### **Select Primary College.**

For transfer applicants, the primary college is where you will earn or have earned the Associate degree, or where the majority of credits has been completed.

### **Select Repeated Courses.**

This process does not impact GPA calculation. Make sure you identified repeated courses following the instructions previously listed in this guide.

### **Answer remaining review questions and select Continue to Next Section.**

The questions will prompt you to identify credit earned by AP or IB tests, honors courses and study abroad courses.

The screenshot shows the completion screen for the 'Transcript Review' section. It features a large green checkmark inside a circle on the left. To the right of the checkmark, the text reads 'Congratulations, Transcript Entry is complete.' Below this, there is a smaller line of text: 'To get updates on the quality assurance review of your transcript entry and receipt of your official transcripts, visit the My Programs section. This status will be visible only after you have paid and e-submitted your first application.' At the bottom, there is a blue button labeled 'Continue to Next Section'.

## General Education

After entering and reviewing transfer credit, go to the General Education tile and complete the required GE course identification. Designate courses for each of the four categories. Select a course from the drop down list for each subject. Courses may pre-populate for some categories.

The dropdown selection of courses includes course titles for all courses with letter grades of C- or higher. Pass grades and In Progress/Planned courses are also eligible for selection.

Assign courses that meets the GE subject category. Use ASSIST.org or GE category notations on transcript for help matching California community college courses.
