

COURSEWARE

Gradebook Upgrade Guide for Educators

The new Edmentum Courseware Gradebook was designed based on educator feedback, giving you more insight into student success, and we know you're going to love it. Your Account Administrator has selected the window below for your account to be upgraded to the new Gradebook.

Gradebook Upgrade Window

Complete the tasks below to make sure you are ready for your new Gradebook.

Step 1: Watch the Gradebook Overview Video.

This 10 minute video gives you an overview of the new Gradebook, how to use it, and what will happen when your account is upgraded.

Access it here: <https://youtu.be/9sUZu74fxlQ>

Step 2: Review the Gradebook Guide and complete any necessary tasks

The Gradebook Quick Guide gives detailed information about the Gradebook, and what you need to do before and after to ensure a smooth transition.

Access the Gradebook Guide here: https://sales.edmentum.com/sites/sales.edmentum.com/files/collateral/file/2017%20Gradebook%20Quick%20Guide%2011.2.17_0.pdf

Step 3: After your upgrade, explore your new Gradebook.

Once your account has been upgraded, spend a few minutes exploring the Gradebook to review how it works, and how it informs your Edmentum Courseware data views. This will allow you to get the most out of this new tool.
